WHAT IS THE MARATHON OF SOCIAL IDEAS?

We want to fight for a **better World** by joining forces to **fight social problems** and allow participants to **swiftly verify their ideas**.

MARATHON is a competition in which the participants work for **24 hours** on a **prototype of a solution** to a defined social problem and then **present their ideas** in front of **JURY**. The best teams will present themselves again during the **SOCIAL GALA**, where we will meet the **winners**. Our event is a large dose of **creativity** combined with **practical training** on how to prepare social projects.
